TECHNICAL EXPERIENCE

City Diary, Fullstack Academy   New York, NY
https://tinyurl.com/cityDiaryDemo   *Jan 2022 - Feb 2022*
A mobile application that invites you to interact with, and explore a user generated sound map.
Tech Stack: React Native, Expo, Firebase authentication, firestore, and cloud storage.

- Initialized app structure through building sign up and login forms
- Rendered maps and connected geolocation functionality from user device
- Implemented React Navigation throughout application views
- Authenticated user data by programming custom React Hooks to enable global app context.
- Refreshed and edited CSS styling to establish continuity throughout all application views; created logo design.
- Coded filtering logic for audio data retrieval and conditional audio marker rendering, permitting private data uploads.
- Maintained project timeline by debugging and configuring Firebase connection, clearing initial team block.
- Identified data security issue, researched, and tested potential solution; wrote detailed process documentation and guided team to resolve local threats.
- Wrote readme.md file and basic wiki documentation for the team during post-project wrap up.

Hot 'n' Saucy, Fullstack Academy   New York, NY
https://hotnsaucy.herokuapp.com/   *Dec 2021*
An e-commerce web application that provides customers with a variety of artisanal hot sauces.
Tech Stack: Node.js, JavaScript, React, Redux, Axios, Express, PostgreSQL, Heroku

- Programmed Redux store for admin product CRUD routes; tested api routes using Insomnia.
- Road mapped design schema, database models, and crucial e-commerce functionality using agile methodologies and pair programming, amplifying trust and communication in a remote team environment.
- Coded initial checkout component; rendered current cart items, customer billing information form, order confirmation view and cancel order functionality.

PROFESSIONAL EXPERIENCE

Radio City Christmas Spectacular, Madison Square Garden   New York, NY
Assistant Costume Shop Supervisor   *Sept 2013 - Dec 2020*
Texas State University   San Marcos, TX
Costume Design Teaching Assistant   *Aug 2011 - May 2013*
